

Rebecca Steven

Violin Tutor - Junior String Orchestra

Rebecca has been a part of South Lanarkshire Orchestral Society since 2011, working up through the various string orchestras over the past 8 years.

She is therefore delighted to be back to tutor the third violins in the Junior String Orchestra.

Rebecca is currently in her third year of studying Music Education at the Royal Conservatoire of Scotland and she is really looking forward to putting some of what she has learned so far back into South Lanarkshire Orchestral Society.
